

# SAFETY

**Daily Safety Meetings, Hazard Cards, and Tailgate Meetings promote a safer work environment.**

**Northeast is committed to a Health, Safety and Environment program that protect our employees, follow-on crews, existing infrastructure, personal property and the environment.**

**Our employees are an integral part of the HSE process. They record and communicate unsafe working conditions and job site hazards.**

# It's a Team concept.

**Our Surveyors and Cutting crews receive extensive equipment, environmental protection, and safety training.**
